MISSISSIPPI PUBLIC SERVICE COMMISSION
CENTRAL DISTRICT

FOR IMMEDIATE RELEASE

Posey Announces \$30,000 Fine Levied Against Media Synergy Group, LLC for No-Call Violations

Jackson, MS. (January 11, 2012) - Public Service Commission Chairman Lynn Posey (R - Union Church) announced today that the Mississippi Public Service Commission has issued an order imposing \$30,000 in fines against Media Synergy Group, LLC of Richmond, VA for violations of the Mississippi "No-Call" law and rules associated with enforcing the law.

Media Synergy Group, LLC violated the law by failing to register and purchase Mississippi's No-Call list, and for contacting consumers registered on the No-Call list. The company also violated the law by using an automated dialing (or similar) system that uses a recorded message to communicate with the consumer.

Posey said the Commission is committed to stopping the companies and individuals who violate Mississippi's No- Call law. The telemarketing calls are a nuisance and an invasion of the privacy of Mississippi consumers. Consumers can file a complaint against a telephone solicitor on the Commission's website (www.psc.state.ms.us) or by contacting the Commissioner's office by telephone at 800-356-6430.
