

BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSISSIPPI

DOCKET NO. 2010-AD-2

IN RE: PROPOSAL OF THE MISSISSIPPI PUBLIC SERVICE  
COMMISSION TO POSSIBLY AMEND CERTAIN RULES AND  
REGULATIONS GOVERNING PUBLIC UTILITY SERVICE

*and*

DOCKET NO. 2018-AD-64

IN RE: ORDER ESTABLISHING DOCKET TO INVESTIGATE THE  
DEVELOPMENT AND IMPLEMENTATION OF AN  
INTEGRATED RESOURCE PLANNING RULE

ORDER

COMES NOW, the Mississippi Public Service Commission (“Commission”), pursuant to its authority under the Mississippi Public Utility Act and applicable regulations, and hereby finds as follows:

1. On June 11, 2019, the Commission entered an Order Seeking Comments on Proposed Rule in Docket No. 2018-AD-64. The Integrated Resource Planning and Reporting (IRP) Rule at issue in that docket combines long term resource planning with the planning and implementation of energy efficiency programs and other annual energy delivery efforts. As a result, the proposed IRP Rule effectively modifies existing Rule 29 of the Public Utility Rules of Practice and Procedure.<sup>1</sup>

---

<sup>1</sup> See R.P. 29, “Conservation and Energy Efficiency Programs.”

2. For consistency and administrative efficiency, the Commission hereby orders that all future rulemaking documents affecting existing Rule 29, including but not limited to intervention requests, party comments and Commission Orders, shall be filed in Docket No. 218-AD-64.

SO ORDERED, this the 11<sup>th</sup> day of June, 2019.

MISSISSIPPI PUBLIC SERVICE COMMISSION
