MISS. PUBLIC SERVICE
COMMISSION

'18 -AD-036

Dear Ms. Collier:

This is the August 2019 report required by the Public Service Commission.

Punkin Water has completed and previously reported on all items which were required to be complete by August 2019.

Punkin Water still remains in negotiations with the City of Oxford for a supplemental source of water and is making positive progress toward the same.

Sincerely yours,

PUNKIN WATER ASSOCIATION

Karen C. Popernik
VP, Punkin Water Association
