Re: Punkin Water Association/MS Public Service Commission  
Commission Number 2018-AD-36 Melanie Rube, et al  
November 2019 Report

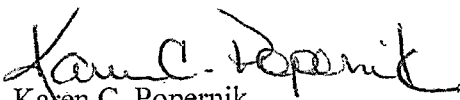

Dear Ms. Collier:

This is the November 2019 report required by the outstanding orders of the Public Service Commission in the above-referenced matter.

All of the items in the Second Amended Post Hearing Order have been covered in prior reports.

Punkin Water still has the current plan of connecting to the City of Oxford water supply.

Sincerely,

  
Karen C. Popernik  
Vice-President, PWA
