Re: Punkin Water Association/MS Public Service Commission
Commission Number 2018-AD-36 Melanie Rube, et al
November 2019 Report

Dear Ms. Collier:

This is the January 2020 report required by the outstanding orders of the Public Service Commission in the above-referenced matter.

All of the items in the Second Amended Post Hearing Order have been covered in prior reports.

Punkin Water still has the current plan of connecting to the City of Oxford water supply.

Sincerely,

Karen C. Popernik
Vice-President, PWA
