Re: Punkin Water Association/MS Public Service Commission  
Commission No. 2018-AD-36 Melanie Rube, et al  
May 2020 Report

Dear Ms. Collier:

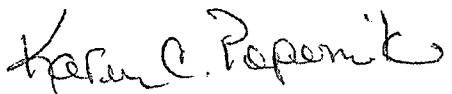

This is the May 2020 report required by the outstanding orders of the Public Service Commission in the above-referenced matter.

All of the items in the Second Amended Post Hearing Order have been covered in prior reports.

Punkin Water Association continues its current plan of connecting to the City of Oxford water supply and is taking steps towards that goal.

Sincerely,

PUNKIN WATER ASSOCIATION

Karen C. Popernik, Vice President
